Orbé Orbé

Seeking: Booking, Film/TV
Style: Celestial Pop
AMP Username: orbemgmt@gmail.com

A collaboration between singer Cristina Orbé and producer Jahon Mikal yields results that are impressive in myriad ways. Essentially a no-holds-barred art project, these multi-dimensional songs are nevertheless so skillfully rendered, with genre-hopping analog and digital creativity, that they might even appeal to a mainstream ear—no easy feat. Always centerstage is the multi-faceted voice of Orbé; whether soulful neo-cabaret ("Let Me In"), EDM ("Instead") or theatrical ("Circus Star") her power is always present, disciplined, commanding.

Jett Prescott

Contact: info@jettprescott.com
Web: jettprescott.com
Seeking: Label, Producers, Film/TV
Style: Alternative Singer-Songwriter
AMP Username: jettprescott

Melodic and engaging piano-centric singer-songwriter Jett Prescott, with his crafty, clever material and neo-Brit vocal vibe, will remind some of Elton John. The hooky "Put Me Down In Wine" showcases the artist's bold personality, songwriting skill and stately strings. "Where I Stand" builds drama adeptly and is his strongest vocally. "Hot Air Balloon" is alluring at first, but at 7:20 the song doesn't sustain interest. Nevertheless, these recordings prove that Prescott is a talent and he possesses a voice that will connect with listeners, especially females.
